

SNMP- (, SNMP) , .

:

1. **SNMP Wrapper** .

The image shows a configuration window for 'SNMP Wrapper'. On the left, there is a box containing the following elements: a text field with the value '1', a label 'SNMP Wrapper Головной объект', a label 'Компьютер[SLAVE]' followed by an unchecked checkbox 'Отключить', a dropdown menu showing 'LOCALHOST', and a label 'Регион' followed by an empty dropdown menu. On the right side of the window, there are several settings: a text field with '1.9.10.1', a label 'Локальный IP' followed by a dotted IP address field '197 . 10 . 0 . 11', a label 'Трап порт' followed by a spinner box set to '162', and a checked checkbox 'Автоматическое создание каналов'.
