

Intellect Web Report System

Intellect Web Report System . (.) , . Web.config, < >\Modules\Wt2. <globalization culture="auto" uiCulture="auto"/> "auto" (en, en-GB, es, de, ru, uk, bg, pl).

1.

The screenshot shows the 'Подсистема отчётов' (Report Subsystem) interface. The top navigation bar includes 'Отчеты' (Reports) and 'Планировщик' (Scheduler). The 'Профиль' (Profile) tab is active. A dropdown menu for 'Язык' (Language) is open, showing options: Русский, English, English (United Kingdom), Español, Deutsch, Українська, and Български. The 'Español' option is selected. A large red number '1' is positioned above the dropdown menu. A red number '2' is positioned below the 'Сохранить' (Save) button.
