

1. (1).
2. -> (2).

3.

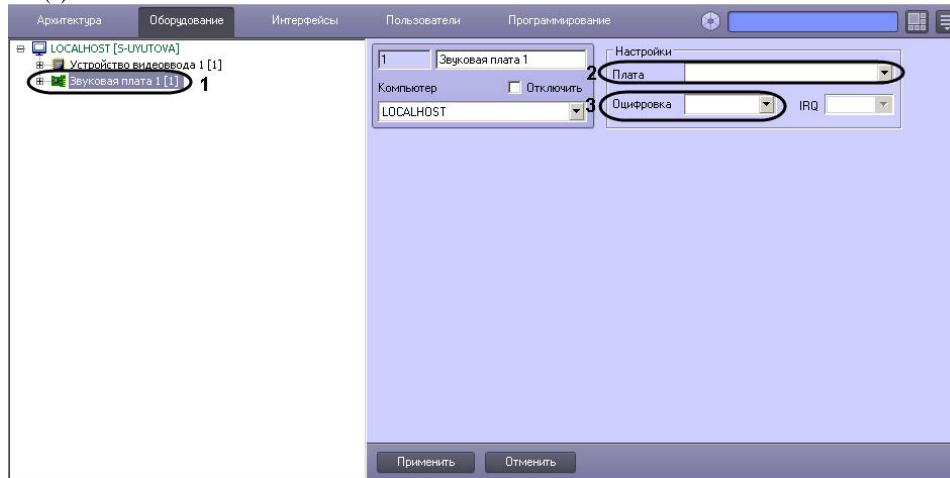

A dialog box titled 'Создать объект' (Create object) is displayed. It contains the following fields:

- Номер (Number): 1
- Название (Name): Звуковая плата 1
- LOCATION (Location): LOCALHOST

At the bottom of the dialog are two buttons: 'Применить' (Apply) and 'Отменить' (Cancel). The entire dialog box is enclosed in a light gray border.
