The screenshot shows a configuration dialog box with a light blue background. It contains three input fields: 'Номер' (Number) with the value '1', 'Название' (Name) with the value 'Подсистема связи 1' (Communication subsystem 1), and a dropdown menu currently showing 'Сервер' (Server). At the bottom of the dialog are two buttons: 'Применить' (Apply) and 'Отменить' (Cancel).

4.

The screenshot shows a software configuration window with a light blue background. In the top-left corner, there is a group box containing a text input field with the value '1', a label 'Подсистема связи 1', a label 'Компьютер', a checkbox labeled 'Отключить' which is currently unchecked, and a dropdown menu showing 'Сервер'. Below this group box is a button labeled 'Запустить мастер отчетов'. In the top-right corner, there is another group box titled 'Вызовы' containing a text input field labeled 'Таймаут (сек):' with the value '120', a text input field labeled 'Всего в очереди:' with the value '0', and a text input field labeled 'В обработке:' with the value '0'. At the bottom of the window, there is a dark grey bar containing two buttons: 'Применить' and 'Отменить'. The number '1' is written next to the 'Таймаут (сек):' input field, and the number '2' is written above the 'Применить' button.
