

1.

a. => .

b. (1).

This screenshot shows a dialog box for creating a new object. The fields are: Номер (Number) with value 1, Название (Name) with value Правило перехода состояний (State transition rule), and Раздел (Section) with value 1, Раздел 1.1. At the bottom are two buttons: Применить (Apply) and Отменить (Cancel). The 'Применить' button is circled in red.
