

intellect. :

1. (1).

The screenshot shows a software configuration window with a light blue background. At the top left, there is a small box containing the number '1'. Below it, the text 'Статистика состояний 1' is displayed. To the right of this, there is a checkbox labeled 'Отключить'. Below the checkbox, a dropdown menu shows 'Экран 1'. To the right of this section, there is a 'Координаты' (Coordinates) section with input fields for 'X: 44', 'Y: 44', 'W: 44', and 'H: 44', and a 'Монитор:' dropdown menu showing '1'. Below these, there is a checkbox labeled 'Разрешить перемещение'. In the center of the window, there is a large rectangular area with a light blue background. Inside this area, the text 'Сервер:' is followed by an input field containing '(local)\SQLEXPRESS2014'. Below this, the text 'Каталог:' is followed by an input field containing 'intellect'. Below the catalog field, there is a label 'Пользователь:' followed by an empty input field. Below the user field, there is a label 'Пароль:' followed by an empty input field. Below the password field, there is a button labeled 'Диалог подключения' with the number '2' next to it. At the bottom of the large rectangular area, there is a tabbed interface with three tabs: 'Фильтры', 'БД', and 'Интерфейс'. The 'БД' tab is currently selected. Below the tabs, there is a button labeled '1'. At the bottom of the window, there are two buttons: 'Применить' (Apply) and 'Отменить' (Cancel).
