License Plate Recognition Tool

The screenshot shows a Windows-style dialog box titled "License plate recongition tool". The dialog has a title bar with standard minimize, maximize, and close buttons. The main content area contains the following elements:

- A label "Lpr connection string:" followed by a text input field containing the string: "Data Source=(local)\SQLEXPRESS2014;Initial Catalog=lprex;Integrated Security=True;Persist Security
- A label "Path:" followed by a text input field containing "C:\ProgramData\AxxonSoft\LprDB|" and a browse button (three dots).
- A checkbox labeled "Move" which is currently unchecked.
- A "Run" button and a long, empty progress bar.
