The screenshot shows the 'Server of face recognition' interface. On the left, there is a preview window with a photo of a man with a beard and a red bounding box around his face. Below it, the file information is listed: 181x291 .Jpeg, 9.3 KB. On the right, a search results window titled 'Найденные лица в базе' (Found faces in the base) displays a single result for 'Петров Петр Петрович' from 'Отдел 1'. Below the results, there are two large green thumbs-up icons.
