1.

The screenshot shows a software interface for ATM monitoring. It features several panels and controls:

- Top Left Panel:** Contains a text box with "1" and "иты для АТМ Мониторинга 1", a label "Экран", and a dropdown menu showing "Экран 3".
- Top Right Panel:** Titled "Координаты" with a large "1" next to it. It includes input fields for "X: 0", "Y: 0", "W: 100", and "H: 100", and a "Монитор:" dropdown set to "1".
- Center Panel:** Titled "Фильтр по владельцам". It has two tabs, "Пользователь" and "Владелец", and a large empty table area with a large "2" in the center. A "Фильтр ..." button is at the bottom right.
- Right Panel:** Titled "Отчёты" with a large "3" next to it. It contains a list of checkboxes: "Сбои системы", "Тревоги", "Видеоотчет", "Действия оператора", "Статистика", "Статистика по владельцам", and "Номера автомобилей". Below these is a section with a large "4" containing two radio buttons: "Полный доступ" (selected) and "Маркетинг".
- Bottom Panel:** Labeled with a large "5", it contains two buttons: "Применить" and "Отменить".
