The screenshot displays a web interface for a security camera system. At the top, there are two layout options: "Новая раскладка..." (highlighted) and "Новая раскладка 1". Below this, the interface is divided into two main sections:

- Left Section:** Contains two live camera feeds. The top feed, labeled "2. Камера", shows an outdoor area with a lawn and buildings, with a timestamp of 14:50:47, resolution of 1280x720, and a bitrate of 3.74Mbps. The bottom feed, labeled "4. Камера", shows a close-up of a car on a road, with a timestamp of 14:50:46, resolution of 768x576, and a bitrate of 1.24Mbps.
- Right Section:** Titled "Последние 6/100 событий" (Last 6/100 events). It lists recent events with timestamps: 14:50:34 09.10.2023 and 14:50:03 09.10.2023. A vertical label "СОБЫТИЯ" is positioned between the feeds and the event list. At the bottom of this section is a button labeled "ЕЩЕ СОБЫТИЯ".

A white rectangular box with a thin border, containing an information icon (i) on the left side.
